Dr. Pankaj Sharma
Ambassador of India to Mexico

Dear Friends,

21st June 2022 marks the Eighth International Day of Yoga. I am happy to share that this year we bring the yoga day celebrations to eight different cities of Mexico from 19th June to 26th June, 2022. The celebrations commence on a grand scale from Monumento a la Revolucion in Mexico City on 19th June. It is the power of Yoga, its undeniable health benefits, its message of peace and harmony, and the love and commitment of yoga practitioners that has made this international day so popular.

As Prime Minister Narendra Modi has remarked - *Yoga is not just a set of exercises that keep the body fit, it is a passport to health assurance, a key to fitness and wellness.* Yoga is also ideal for relaxation of mind and body. It gives peace of mind.

I hope that all my Mexican friends and fellow Indians in Mexico will join us this year to practice Yoga and help spread the message of fitness and good health.

In 2008, JK Tyre, part of JK Organization an Indian conglomerate with more than 100 years of goodwill and heritage, bought Tornel. Since then, it became a global company, this is how JK TORNEL S. A. de C. V. was formed, dedicated to manufacturing Tornel and JK Tyre brand tyres in Mexico. In 2014, the company invested in capacity expansion at its radial plant at Tultitlan, Mexico. New India!

Online Appointment system for consular services

In order to streamline and render consular services in a systematic manner, the Embassy rolled out an online appointment scheduling system

(link: <https://www.indiainmexico.gov.in/appointmentin>) for various consular services (i.e. Passport, Visa, OCI and Miscellaneous consular services) at the Embassy with effect from 13.04.2022.

The Conundrum
By: Anmol Motwani
Mexico City

Humans have lived as nomads for 99% of history, so when I took the giant leap in the direction of adventure by moving away from my home country and starting a new chapter in Mexico, I was excited. The sheer eagerness to experience the culture and explore the big exciting Ciudad de Mexico was enough to create an upheaval in my emotions. However, within some months of my arrival, I caught myself missing home, which was bizarre as I had never planned to stay in the city, I was born.

Upon introspection, I realized that even though my experiences here have been welcoming and varying. I missed India majorly, for its streetside Chaat and Chatni and devouring the 'zaikedaaar' biryani with my bare hands. I yearned for the evening balcony Chai and Chat sessions with the neighbors, and I longed for its Bustling streets and sounds, but mostly I missed the Bollywood weekly releases.

Nonetheless, I have chosen to continue my stay in Mexico for the opportunities it has to offer and for the beautiful private patios and balconies of Zocalo that capture the best views of the daylight. But particularly for the Pozole.
