Visitors traveling to Mexico on UK visas, please, note that a valid visa (any type) of the UK is not sufficient to guarantee the entry into Mexico. It must be accompanied by the proof of Permanent Residence of the visitor in the UK. Visitors who are not Permanent Residents of the UK are not permitted entry into the country by the Mexican immigration authorities and are often detained at the immigration facility at the Airports.

Subsequently, after long hours of detention/ interrogation, they are repatriated to the originating station by the next available flight of the same airlines that they arrived to Mexico by.

During this period of detention, their passports, mobile phones and other belongings are held by the Immigration authorities, thereby, denying the visitors any opportunity to contact the Indian Embassy or relatives or colleagues, and the items are returned only at the time of repatriation except for the passport which is handed over to the flight crew and returned to the passenger only after disembarking from the flight at the originating station.

In view of the above, Indian visitors to Mexico are strictly advised to not repeat NOT travel to Mexico on UK visas, unless they are permanent residents of the UK;

- Certificate that accredits him as a member of the crew of the aircraft in which he arrives;

If the crew member arrives by air to enroll in a ship anchored in a national port, he must present, in addition to the sea book, a document that proves his enrollment, the data of the vessel and the Mexican port in which it is located.

Note: This is not applicable on temporary residence card holders of U.S.A., Canada, Japan, United Kingdom, Schengen, Pacific Alliance (Colombia, Peru, Chile). Holders of this type of temporary residence must apply for a Mexican visa on any of its categories.

3. IMPORTANT

Further, it has been clarified to the Embassy by the immigration authorities that making telephone calls is permitted to the visitor at the immigration facility. However, in case, only one (01) telephone call is being permitted to the visitor, the Embassy recommends that the visitor utilizes the opportunity of making a telephone call for the Consular access to the

Embassy i.e. for contacting & apprising the Embassy on its 24x7 Emergency Contact Number +52 55 48 47 7539, regarding his/ her detention at the airport immigration. The Embassy shall thereupon convey to the family/ acquaintances of the passenger about the matter, and undertake necessary action, as required.
